Title: DeadBob's Insulting Edo

Author: DeadBob

Go to the Britain
moongate in Trammel
& say the following
to Edo the Ghost.

Inu says you need a
license to be so ugly.
Guards never help losers,
Edo.

Still picking up ugly
women at the moongates?

Are you freaked out by
the voices in your head?
I can't even fake being
as dumb as you.

OOooo

I heard you are lame
enough to hit on a pixie.
So, what does that dead
brain of yours tell you?

You're as lame a ghost
as you were alive, Edo.
